**About the Theology of the Body Institute:** Theology of the Body Institute is a 501(c)3 non-profit, educational organization promoting the Theology of the Body at the popular level of both the Christian and the secular cultures....Theology of the Body Institute seeks to penetrate and permeate the culture with a vision of true sexuality that appeals to the deepest yearnings of the human heart for love and union.

**Our Mission:** The mission of Theology of the Body Institute is to educate and train men and women to understand, live and promote the Theology of the Body.

**Our Vision:** Theology of the Body Institute envisions a world filled with men and women who freely embrace God’s glorious plan for their sexuality. Only from this foundation can an authentic culture of life and love take root and flourish. We aim to ensure that the teachings of John Paul II are promoted faithfully and effectively. Through our first rate education and unique outreach programs, the TOB Institute will be a premiere resource for education and formation in Theology of the Body.
